

KORA DESIGN SOLUTIONS

Engineering Excellence. Delivering Reliability.

With over 15+ years of distinguished experience, Kora Design Solutions has established itself as a trusted and innovative name in the transformer industry. Built on a foundation of deep technical expertise, uncompromising quality standards, and customer-centric values, we proudly serve as a reliable partner for transformer design consultancy and premium transformer accessories trading.

◆ A Legacy of Technical Mastery

For more than a decade and a half, Kora Design Solutions has been at the forefront of:

- Transformer design optimization
- Cost-effective engineering solutions
- Performance enhancement strategies
- Compliance with Indian & International Standards
- Medium Power (≤ 66 kV) & Distribution Transformer Solutions

Our seasoned engineers combine advanced design methodologies with practical industry insights to deliver solutions that maximize efficiency, durability, and operational reliability.

◆ Trusted Partner in Transformer Accessories Trading

Beyond consultancy, we are a dependable supplier and trader of **high-quality transformer accessories**, sourced from reputed manufacturers and delivered with complete quality assurance.

Our Trading Portfolio Includes:

- Transformer Porcelain & Epoxy Bushings
- OLTC & OCTC Tap Changers
- Radiators & Corrugated Fins
- Conservator Tanks & Corrugated Tanks
- Buchholz Relays
- Oil Level Indicators
- Breathers
- Gaskets & Sealing Solutions

- HV/LV Terminals
- Pressure Relief Devices
- Magnetic Oil Level Guage's
- Transformer Insulation Materials
- LV &HV Epoxy Insulators
- Fiber Glass Items- Hat profiles, Dog bones, Dovetailed Runners, F.G Ring's Etc..
- Fiber Nuts & Bolts

Each product we trade is carefully selected to ensure long service life, safety compliance, and superior operational performance.

◆ Why Kora Design Solutions Stands Apart

- ✓ 15+ Years of Proven Industry Experience
 - ✓ Deep Technical Knowledge & Engineering Excellence
 - ✓ Commitment to Quality & Precision
 - ✓ Strong Vendor Network
 - ✓ Timely Delivery & Transparent Business Practices
 - ✓ Client-Focused Approach
-

◆ Our Vision

To be a nationally recognized leader in transformer design consultancy and accessories trading by delivering innovative, reliable, and cost-efficient solutions that empower the power sector.

◆ Our Commitment

At Kora Design Solutions, we do not just provide services – we build long-term partnerships. Our commitment to excellence, integrity, and continuous improvement drives everything we do.
